DATE: 7 April 1964

FROM : [REDACTED]

SUBJECT: The White House News Photographers Association Annual Dinner.

On the 2nd of April 1964, I attended this dinner as a guest of Seth Muse, who is a mutual friend of mine and a member of the association. President Johnson and various members of the cabinet were the principal guests, and since it was purely of a social nature, no mention was made of my affiliation with the agency.
